UPDATE #3

COVID-19 – Southwest Middlesex Declares State of Emergency

On March 17, 2020 Southwest Middlesex declared a state of local emergency at 1:25 p.m., to support further county and provincial efforts to contain the spread of the COVID-19 virus.

The ongoing health and wellness of our community, while also providing essential services is the top priority for the municipality.

“It is prudent that we take all steps to safeguard our community’s health as the outbreak continues to unfold.” says Mayor Allan Mayhew.

Information about impacts on municipal programs and services can be found at <https://southwestmiddlesex.ca/Public/News>
