

MUNICIPALITY OF SOUTHWEST MIDDLESEX

TOP TEN REASONS TO DO BUSINESS IN SOUTHWEST MIDDLESEX

1. We have a highly skilled work force with old fashioned ethics.
2. High speed internet is readily available, with the service tower located in the hub of Southwest Middlesex.
3. Southwest Middlesex is strategically located just west of London, Ontario with immediate access to Highways 401 and 402.
4. Our municipality is serviced by both water and sewer. All of our urban centres are serviced by municipal water. Many of our rural areas also have municipal water because of an aggressive rural watermain extension program. The urban areas of Glencoe and Wardsville are currently serviced by sanitary sewers.
5. Southwest Middlesex has excellent roads along with a strong maintenance Program.
6. We are within twenty (20) minutes of the major NAFTA routes that connect Southwest Middlesex with the United States and Mexico, our trading partners.
7. Industrial land is available and ready for development.
8. Retail space is obtainable.
9. We have excellent school and health care facilities within our community along with a lower cost for housing. A lower cost of living combined with a short commute to the surrounding cities of London, Chatham and Sarnia is an attractive combination.
10. We have a responsive and pro-business municipal government.
