Project Description

Please describe what the property looks like and how the property is used today (e.g. building height, building/façade condition, what business is conducted on the property, who does the business serve, how long has the business been established).

Please note that in addition to the above description, Façade Improvement Grant Program applications and Signage Improvement Grant Program applications must be accompanied by a photo(s) that clearly depict the existing condition of the façade(s) or signage that is (are) proposed to be improved.

Please describe, in detail, how the property will be improved (e.g. how will the existing building be improved to allow it to accommodate new residential uses, how will the existing building façade be improved).

Please note that in addition to the above description, Façade Improvement Grant Program applications and Signage Improvement Grant Program applications must be accompanied by a schematic elevation view with sufficient information to understand the proposed façade or signage improvements and anticipated visual outcome of the improvements.

Please describe when the proposed improvements are expected to start and when the proposed improvements are expected to be complete.

Please note that works commenced prior to submitting an application are ineligible. Works commenced after submitting an application but prior to application approval do so at the applicant's risk.

Please describe the benefits that the proposed improvements will have on the property, the business and Community Improvement Project Area (e.g. improve the visual appearance of the building, additional residential units, improve business image, create new jobs).
