This guide may be updated periodically. Please notify municipal staff if there are any changes to your mailing and/or email address.

Campaign Information

Candidates are advised to refer to the Province of Ontario’s Candidates Guide for information on Campaign Contributions and Fund Raising and on Campaign Expenses. The provincial guide is available online from the Ministry of Municipal Affairs and Housing and from the Clerks Department.

The *Municipal Elections Act, 1996* does not contain restrictions on when a candidate may or may not advertise but does regulate the amount a candidate can spend on their campaign. The candidate must have filed their nomination form before spending any money on advertising and the amount they spend on their campaign is regulated as explained in the restrictions below.

Campaign Expense Limits

These are limits on the amount that a registered candidate may spend on a campaign. The campaign period begins the day the candidate files a Nomination Paper and ends on December 31, 2022. The limit on campaign expenses is based on a formula related to the number of electors entitled to vote for the office.

Once an individual files their nomination paper, they will be given a Preliminary Certificate of Maximum Campaign Expense Limit based on the Voters’ List from the 2018 municipal election. Each candidate will be provided a final certificate on or before September 25, 2022 which is calculated using the greatest number of electors on the Voters’ List as of the 2018 municipal election or September 15, 2022, whichever provides the highest maximum limit.

The following is the formula used to calculate the limits:

Head of Council	\$7,500.00 plus 85 cents for each elector entitled to vote for the office $7500 + (0.85 \times \# \text{ of Electors})$
Candidate for another office	\$5,000.00 plus 85 cents for each elector entitled to vote for the office $5000 + (0.85 \times \# \text{ of Electors})$

Please note that candidates will also be subject to Maximum Amount of Contributions – Own Campaign.

Third-party advertisers will also be subject to Maximum Campaign Spending Limits.

Filing Financial Statements

All nominated candidates, including those not elected, those who withdrew their nomination and whose nomination was rejected by the Clerk MUST disclose and report on or before March 31, 2022 by 2:00 p.m. their contributions and expenses as of December 31, 2022 in accordance with the following:

- All candidates are required to file a detailed financial statement on the prescribed form – MMAH Form 4.
- Candidates must have their financial statement audited and submit the auditor's report to the Clerk along with their financial statement if expenses are over \$10,000.00

A candidate must file a separate financial statement for each office they were nominated during the election period unless the offices are all on the same council and are elected by a general vote of all electors of a municipality. Each campaign for an office for which the election is conducted by ward is a separate campaign.

The financial statement must be filed by March 31, 2023. Candidates' financial statements are filed with the Clerk and are public documents which are to be available at no charge for viewing by the public on the Municipality of Southwest Middlesex website. The Clerk will advise at least 30 days prior to March 31, 2023 filing deadline of all the filing requirements of the Act. The Clerk is not required to give additional notice for each supplementary filing date.

It is the responsibility of the candidate to file a complete and accurate financial statement by the filing date.

Please refer to the *Municipal Elections Act* for detailed information with respect to:

- Extending a campaign in order to eliminate a deficit;
- Supplementary financial statement information;
- Surplus and deficit information; and
- Enforcement and penalties.

Scrutineers (Candidates' Agents)

Scrutineers may be appointed, in writing by the candidate, as stated under Section 16 of the *Municipal Elections Act, 1996*, as amended.
