

BUILDING CONDITION ASSESSMENT STUDY

Request for Proposal (RFP)

Addendum #2

In response to questions received:

Can the Municipality provide the number of elevators or lifts per facility?

No – there are no lifts in any facilities.

“F10- Special Construction” could refer to simple or complex items. Did the City have a specific piece of equipment in mind for this?

Solar panels are installed on the roof tops at the facilities at:

Building 1768(153 McKellar)

Building 1763 (178 McKellar)

Building 1749 (266 Appin)
