

# Culvert Replacement Project

## UPDATE

October 23, 2024

Dear Property Owner/Resident,

The Municipality of Southwest Middlesex will soon be starting a culvert replacement project on your road. This letter provides details about the project with important information on how the project may impact you. The culvert replacement project was endorsed by Council on June 5, 2024. This work will consist of removing the existing culvert and installing a new culvert that will improve road safety and infrastructure durability.

### Project Details

Location: Pratt Siding Road between Centreville Drive and Trillium Drive

Schedule: Tentative start date – October 28, 2024 (Weather Permitting)  
Estimated completion – November 14, 2024

Scope: Replacing municipal culvert within the road allowance.

Contractor: JLH Excavating Inc.

### How will Construction Impact You?

**Road Access:** Pratt Siding Road will be closed, only allowing local traffic to access their properties. The contractor will work with impacted properties as it relates to driveway impacts and access to property.

**Vibration – Protect Valuables:** Construction equipment can cause vibrations. Please ensure you protect any valuables susceptible to damage.

**Mail Services:** Canada post will continue to deliver mail during construction. Canada Post will provide further notification and instructions for residents that may be impacted.

**Garbage and Recycling Collection:** If your pick-up point is temporarily blocked by construction the Municipality & contractor will assist in collecting and transporting your garbage and recycling.

### **Contact Information**

If you have any questions about this project, please contact the undersigned.

Regards,

Mauro Castrilli, C.E.T.
