

October 9, 2024 Council Meeting Highlights

Here are some highlights from the council meeting:

- Lower Thames Valley Conservation Authority shared an informative presentation about their Watershed Based Resource Management Strategy.
- Council reviewed the results of the public budget survey and instructed staff to incorporate your feedback into the upcoming 2025 budget planning.
- Council approved applying for funding from the Housing Enabling Water Systems Fund to upgrade the Industrial Road Sanitary Pump Station.
- A by-law was approved to enter into a cost-sharing agreement with Utopia Custom Homes Inc. for the construction of a sanitary pumping station that will serve the new Stella Meadows development and future development in the surrounding area.
- Council approved the reallocation of surplus capital funds to complete the rehabilitation of Simpson Park.
